The Enneagram class is required for the Lay Ministry Program.  
All are welcome to attend.

Join us as we learn more about ourselves and others through the ancient study of **The Enneagram**, which is an incredibly rich system of personality types that has probable origins in ancient Sufism, as well as being linked to the Jewish Tree of Life. Whatever its origin, this workshop will help you identify who you really are, giving you the key to unlock your power and potential for spiritual growth and transformation. The Enneagram leads us naturally to compassion as we learn the motivations of the others in our personal life, professionally and in pastoral care if that is our path. Understanding is an important key to compassion join us as we unlock the key of understanding for ourselves and others. Don't miss this opportunity!
