Abundant Life Center

April 2013 Volunteer of the Month

We all have been fortunate enough to enjoy **Barbara Duncan's** skill on the violin and piano. Barbara has been playing the violin since age seven and the piano at age 11. More recently, however, we've discovered that she has a beautiful

singing voice that rings clearly during our Sunday services! Her contributions to ALC and the Vancouver community have been great, from performing musical gigs to sing-alongs for seniors in retirement and assisted living homes. We've grown to depend on her presence at ALC, where she has been playing for ALC since August Moon and rarely misses a Sunday.

Great job Barbara!

An other talent that Barbara keeps secret is that she is a very accomplished painter. But I think when it comes to perseverance and dependability, Barbara has raised the bar for everyone in her handling of the Donation Table, which was her inspiration and has turned out to be a consistent money raiser for us. In spite of the challenges and hard work, she has hung in there week after week, encouraging us to bring in donations, all with a radiant smile on her face.
