Abundant Life Center
July 2013 Volunteer of the Month

*Wh*at else can one say about an immensely talented and creative individual who also happens to be our music director? That he's great? Sure, we can all agree on that.

*Bu*t Draq's talent doesn't stop there. Not only does he make beautiful music, but he creates harmony among other musicians by stepping out of the limelight by promoting and fostering their talents, all to the enjoyment and enrichment of ALC. Then, to add to his contribution to our community, he sets up for the sound and music for other performers, even if he has an engagement to perform elsewhere. But there are many other contributions that he makes that make him a very special Volunteer of the Month:

- He serves on the Board of Trustees and the Spiritual Leadership Team and Volunteers where needed.
- He organizes the Christmas and Easter programs.
- He has stepped into speaking on Sundays.
- He is a Science of Mind Practitioner and prays with people on Sunday.
- And, oh yes, did we mention that he is totally dedicated to ALC?
