

*Abundant Life Center  
November 2013  
Volunteer of the Month*

*Mark Moerman, thank you!*

*Mark*'s first experience with ALC began many years ago when he and Barbara decided to attend a multi-media Prosperity class held by Rev. Kathleen Verigin. It wasn't too long before Mark became Music Director while we were located at August Moon. He has had a great connection with other local area musicians which helped ALC immensely.

*T*hrough the years as ALC was changing and growing, so was Mark. He became a Shaman through Rev. Jayna Gieber's tutelage and began taking on ministerial speaking engagements for ALC. His life experience talks come straight from the heart resulting in thought provoking lessons learned.

*W*e can't stop there...Mark is a very inspirational songwriter. We are very fortunate to be the recipients of his original works, including a song for our Beliefs. During his many years of service he has played many congregational songs and chants for Abundant Life Center.

*M*ark has been a Disc Jockey with his extraordinary extensive vinyl collection at various functions including our latest Hops. He also edits Sunday service recordings before passing them on to be duplicated.

*S*ome of you may not know this, but Mark is known as a "Cat Whisperer."
