Volunteer of the Month  
April 2014*

*Thank you,  
Kimberly Jones*

If a single word could sum up Kimberly, it would be “faithful.” It wasn’t long after Kimberly began attending ALC that she was volunteering for set-up hospitality, and she has been consistently showing up every Sunday ever since. A solid member of our community, she can always be counted on to show up in the morning to set up the coffee and tea, and to clean up after service—a very essential part of our Sundays.

Kimberly is always ready with a friendly smile and an uplifting word for others. She offers a unique and refreshing viewpoint on life, encouraging the ALC community to explore different perspectives as well.

Like a spring flower, Kimberly has blossomed through her involvement in our community and also developed an understanding of the New Thought principles along the way. Kim became a member in February of this year. We are glad to have her as a part of our community, and we celebrate her today!
