

*Abundant Life Center
Volunteer of the Month
May 2014*

*Thank you,
Russ Nelson*

There are supporters who lead with a quiet strength, and one of them at ALC is Russ. A philosopher and poet at heart, Russ brings a refreshing perspective to the Board of Trustees, along with his prior six years of board experience on a non-profit food co-op.

Multi-talented, Russ' rich baritone voice can be heard every Sunday as he helps lead songs with the ALC singing group or when he reads his poetry during a special service. You can also enjoy listening to him read his writings at the ALC writer's group he coordinates.

A respector of nature, his service extends beyond the walls of our community and out into the world through our *Let's Go Green* program. His Master Composter/Recycler training truly has been a plus!

A willing helper in many ways, this Jack-of-all-Trades helps put up and take down the Sunday service settings (including our billboard sign), serves as back-up for the ushers, and supports the Peace and Justice Fair and Saturday in the Park. Need we say more?

Thank you, Russ, for supporting our community and sharing your talents so faithfully!
