

*Abundant Life Center
Volunteer of the Month
July 2014*

*Thank you,
Keight Schaff*

When Keight Schaff joined ALC, she was excited to volunteer with anything and everything she was capable of doing. She exhibited such eagerness and enthusiasm in playing an intricate role as a member of our community.

Keight became a member of the SLT (Spiritual Leadership Team), the Prayer Team, the Public Relations Team, Event Planning, and has hosted a variety of classes. She and her daughter Dawn planned and organized our 2013 Christmas Party, as well as being a huge help for last year's BBQ.

She creates and compiles the monthly schedule of upcoming speakers and musicians found on the info table. Recently she formatted the many songs on the office computer. Before our new website launched, Keight took the time to proofread and check that all links were connected properly. She helped the PR team by volunteering to make announcements of free calendar listings of events and Sunday classes. Keight was a tremendous help with the administrative office move. She sorted, labeled, and boxed office belongings; then came back the following day to unpack and reorganize the new office surroundings.

Her relentless desire to volunteer for ALC has left us capturing a good amount of her accomplishments, though we fall short in capturing all. Thank you Keight for everything you do for ALC!
